

Double Float Prints

Uniquely present family art in a contemporary way

A single print is floated 1/2" off the surface of a second, larger print, producing a contemporary 3 dimensional effect.

The print in the back can be a photograph or design of your choice, which creates a 1" frame around the front print. On sizes 16x20 and larger, the print in the back creates a 2" frame. All

- **Materials:** Ultraboard, Metal, Wood
- **Surfaces:** Gloss, Satin, or Sheer-Matte, Individually Selectable for Both Prints
- **Display Options:** Float Frame

1. Top Metal Print | 2. Gatorfoam Float Mount | 3. Bottom Metal Print

Sizes

Our Double Floats are completely customizable. 10"x10" front, 12"x12" back is our smallest option for these impactful wall displays. From there, we can go up to any size that your space and our creativity can handle.
